Club Upcoming Events

Club Meeting – Jan. 7th at 7:00 PM
Meeting at Jerry's Hangar, see Map on
the last page

Meeting Notes

Our Jan. Meeting is Monday Jan. 7th, 7:00 PM, at Jerry's Hangar

December's Meeting was at Spring Creek Restaurant in Mansfield

We celebrated a successful year with dinner and a Chinese Gift Exchange. We had 7 members and 2 wives as guests.

Our 2012 officers agreed to serve in the same capacity for another year.

We attempted to have our January 1st fly in at our airfield, but recent rains made it unsafe to get to our airfield. Pat invited our members to his home to share food and flying stories.

Club Dues for 2013 are now due!
Please mail your dues to the PO Box or bring them to the meeting.
The Code on the Entrance Gate will change at the end of January.

4/5/2013

If you notice something or someone suspicious, please call or text the Landfill Manager, Louie Patino at 214-206-5350

Let him know you are a member of the model airplane club. Thanks

We remind all fliers to **use catch bottles** to contain the overflow when refueling your powered aircraft. This prevents damage to our worktables, runway, and grass. It also prevents the landfill from getting in trouble for fuel spills on the floodplain. **Do not fuel your aircraft on the worktables.**

Club Dues for 2013 are now being accepted!
Members: \$60/year, over 63 Senior: \$40/year

Page 1

ROOKIE RACING

Duane Riedel has changed our club's Pylon Racer Specifications to allow 40 to 46 ball bearing engines and open sport propellers. We welcome new fliers but ask that no hopped up race planes participate. The AMA maximum speed limit is 100 mph. Come out with a 40's size airplane and test your skills flying in traffic.

Duane Riedel coordinates the Rookie Races.

Please pick up after yourself at the airfield, remove trash, and put the chairs away when finished.

Please make sure the gate is closed behind you if you had to open it to enter or leave.

Larry Nelson – STRCC Secretary

Seven Towers Radio Control Club

Arlington Texas

(AMA Charter No. 2421)

Membership Application

Name: _____

Date: _____

AMA Number: (Mandatory) _____

Advanced: _____

Special Interests: _____

guidelines as well as some of our own club rules. The AMA provides many services but the main benefit is insurance. They provide liability coverage for each member at a very affordable rate. The cost is about \$58 per year. (That price includes a great monthly magazine)

Our club rules mandate that each person must be a current (or have at least applied for) AMA membership before becoming a STRCC member. This greatly reduces the clubs insurance rates and allows us to lower our membership costs.

The annual membership for STRCC is **\$60** per year.

Seniors 63 or greater are **\$40** per year.

To join STRCC during the year, new membership dues are prorated at \$60/year (\$6/month remaining).

Return Completed Applications to Any Club Officer or Mail to:

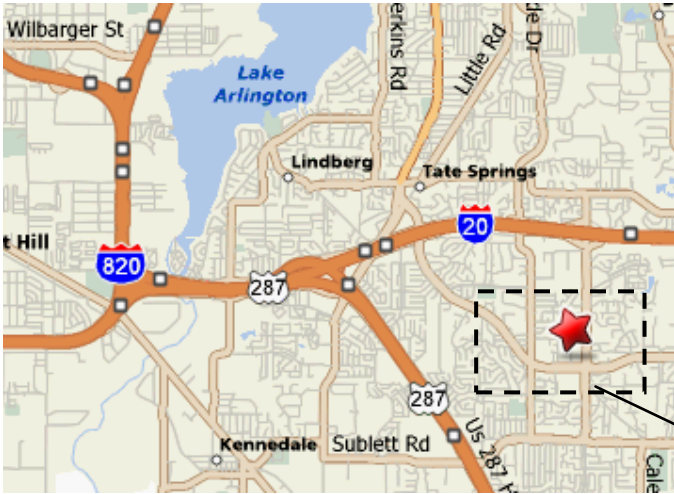

STRCC

About The Club:

The Seven Towers RC Club (STRCC) is a relatively small club with roughly 35 members. Most of the folks are very laid back and are in the hobby strictly for pleasure. STRCC holds monthly meetings, usually the first Monday, to share info & swap stories.

We are chartered with the Academy Of Model Aeronautics (AMA) and are governed under their
