Club Meeting – Mar. 4th at 7:00 PM
Meeting at Jerry's Hangar, see Map on
the last page

Meeting Notes

**Our Mar 4th Meeting is Monday
7:00 PM, at Jerry's Hangar**

February's Meeting was at Jerry's Hangar, we had 7 members show up. Thanks Jerry!

We had a short business meeting.

We discussed the farmer's tiling up our U-Control flying circle and possible solutions.

We talked about moving the flying circle and helicopter area closer to our parking lot.

The Gate Code has been changed and only members with paid up dues were notified by email. Don't miss out on any nice spring flying because you forgot to pay your dues.

Club Dues for 2013 are now past due!

Please mail your dues to the PO Box or bring them to the meeting.

If you notice something or someone suspicious, please call or text the Landfill Manager, Louie Patino at 214-206-5350

Let him know you are a member of the model airplane club. Thanks

We remind all fliers to **use catch bottles** to contain the overflow when refueling your powered aircraft. This prevents damage to our worktables, runway, and grass. It also prevents the landfill from getting in trouble for fuel spills on the floodplain. **Do not fuel your aircraft on the worktables.**

Club Dues for 2013 are DUE!
\$60/year, over 63 Senior: \$40/year

Members:

ROOKIE RACING

Duane Riedel has changed our club's Pylon Racer Specifications to allow 40 to 46 ball bearing engines and open sport propellers. We welcome new fliers but ask that no hopped up race planes participate. The AMA maximum speed limit is 100 mph. Come out with a 40's size airplane and test your skills flying in traffic.

Duane Riedel coordinates the Rookie Races.

About The Club:

The Seven Towers RC Club (STRCC) is a relatively small club with roughly 35 members. Most of the folks are very laid back and are in the hobby strictly for pleasure. STRCC holds monthly meetings, usually the first Monday, to share info & swap stories.

We are chartered with the Academy Of Model Aeronautics (AMA) and are governed under their

Please pick up after yourself at the airfield, remove trash, and put the chairs away when finished.

Please make sure the gate is closed behind you if you had to open it to enter or leave.

Larry Nelson – STRCC Secretary

guidelines as well as some of our own club rules. The AMA provides many services but the main benefit is insurance. They provide liability coverage for each member at a very affordable rate. The cost is about \$58 per year. (That price includes a great monthly magazine)

Our club rules mandate that each person must be a current (or have at least applied for) AMA membership before becoming a STRCC member. This greatly reduces the clubs insurance rates and allows us to lower our membership costs.

The annual membership for STRCC is **\$60** per year.

Seniors 63 or greater are **\$40** per year.

To join STRCC during the year, new membership dues are prorated at \$60/year (\$6/month remaining).

Return Completed Applications to Any Club Officer or Mail to:
